Will,

I write concerning your January 21 letter to Jennifer Albert.

First, in the letter you mention that Lawson will identify an individual with knowledge about implementation of the S3 system at a customer's site. Please let us know as soon as possible who that individual is and when he or she will be available for a deposition.

Second, you contend in the January 21 letter that Lawson has "adequately and fully responded to Interrogatory No. 24." For the reasons set forth in Jennifer Albert's January 19 letter we respectfully disagree. Please let me know when you are available to meet and confer on this issue.

Regards,

Michael
